**NOTE: New and Returning Teachers may choose to work ONE additional 7 hour day prior to the start of school. Teachers who do this will be paid a stipend for working the day. The 7 hours can be split into two half days if needed. Teachers who want to work the additional day must work one of the following days: August 7 or 19 (available to all teachers); August 8, 11, 12, or 13 (available to returning teachers).

**Teacher must report and submit time as required by the district in order to receive payment.

NOTE: In general, the first two inclement weather days of the year will be traditional snow days. Inclement weather days 3-8 will be AMI days. Inclement weather days 9+ will be made up on the designated make-up days shown on the school calendar. If school is closed for any reason other than inclement weather, those days will be handled in the same manner as inclement weather days. Additional make-up days may be added if we need more than those currently designated on the calendar.
