

PROP I: INVEST IN OUR STUDENTS, OUR SCHOOLS, AND OUR COMMUNITY

Proposition I is a proposal on the August 8, 2023, ballot asking voters who live within Fox C-6 School District to consider an operating levy increase of 92.07 cents per \$100 of assessed valuation. The operating tax rate increase would allow the District to continue to invest in high quality learning, activities, and programs for students and competitive salaries for all staff members, as well as avoid additional budget reductions.

- Recruit and retain highly qualified certified and operational staff that have a direct impact on the success of our students each day.
- Maintain a wide variety of innovative course offerings and a variety of programs for our students to prepare them for the workforce.
- Continue to staff our schools at or below the DESE (Department of Elementary and Secondary Education) recommendations.
